Question	Response	Improved Answer	Score	Skill
What is C programming?		Error: Could not generate improved answer.	N/A	C Programming
What are the different data types in C?		Error: Could not generate improved answer.	N/A	C Programming
What is a variable in C?		Error: Could not generate improved answer.	N/A	C Programming
What is C++?		Error: Could not generate improved answer.	N/A	C++ Programming
What is the difference between C and C++?		Error: Could not generate improved answer.	N/A	C++ Programming
What is a constructor in C++?		Error: Could not generate improved answer.	N/A	C++ Programming
What are the different types of CSS?		Error: Could not generate improved answer.	N/A	CSS
What is Flexbox in CSS?		Error: Could not generate improved answer.	N/A	CSS
What is Flexbox in CSS?		Error: Could not generate improved answer.	N/A	CSS
What is a closure in JavaScript?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is the difference between let, const, and var?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is the difference between let, const, and var?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is state in React?		Error: Could not generate improved answer.	N/A	React.js
What is React.js?		Error: Could not generate improved answer.	N/A	React.js
What are props in React?		Error: Could not generate improved answer.	N/A	React.js
Write a Python program to create a TCP client that connects to a server and sends data.		Error: Could not generate improved answer.	N/A	CN

Question	Response	Improved Answer	Score	Skill
Write a C program to implement a simple UDP server.		Error: Could not generate improved answer.	N/A	CN
What is the difference between TCP and UDP?		Error: Could not generate improved answer.	N/A	CN
What are registers in a CPU?		Error: Could not generate improved answer.	N/A	CO
What is the difference between RISC and CISC architectures?		Error: Could not generate improved answer.	N/A	CO
Explain the role of cache memory.		Error: Could not generate improved answer.	N/A	CO
Explain the difference between == and .equals() in Java.		Error: Could not generate improved answer.	N/A	Java
What is method overloading and method overriding?		Error: Could not generate improved answer.	N/A	Java
What is the difference between JDK, JRE, and JVM?		Error: Could not generate improved answer.	N/A	Java
What is the difference between is and ==?		Error: Could not generate improved answer.	N/A	Python
What is Python?		Error: Could not generate improved answer.	N/A	Python
Explain Python's memory management.		Error: Could not generate improved answer.	N/A	Python
What is the purpose of the <meta> tag in HTML?		Error: Could not generate improved answer.	N/A	HTML
What is the difference between <div> and <span>?		Error: Could not generate improved answer.	N/A	HTML
What are HTML entities?		Error: Could not generate improved answer.	N/A	HTML
What is the difference between INNER JOIN and OUTER JOIN?		Error: Could not generate improved answer.	N/A	SQL

Question	Response	Improved Answer	Score	Skill
What is the purpose of the COALESCE function?		Error: Could not generate improved answer.	N/A	SQL
How can you retrieve the second highest salary from an employee table?		Error: Could not generate improved answer.	N/A	SQL
How does z-index work in CSS?		Error: Could not generate improved answer.	N/A	CSS
What is CSS?		Error: Could not generate improved answer.	N/A	CSS
What are the different types of CSS?		Error: Could not generate improved answer.	N/A	CSS
What is the difference between let, const, and var?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is JavaScript and how does it differ from Java?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is a closure in JavaScript?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is CSS?		Error: Could not generate improved answer.	N/A	CSS
How does z-index work in CSS?		Error: Could not generate improved answer.	N/A	CSS
What are the different types of CSS?		Error: Could not generate improved answer.	N/A	CSS
What is the difference between let, const, and var?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What are the different data types in JavaScript?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
What is JavaScript and how does it differ from Java?		Error: Could not generate improved answer.	N/A	JavaScript (JS)
